How to Pick up your Lift Tickets

If you arrive on or after Wednesday, March 6

and your first ski day is Thursday – you should pick up your lift tickets at the Sports Medicine Winter Summit Registration Desk in the Kokepelli Ballroom area of the Grand Summit Hotel between 2:00 and 6:00 p.m., or on Thursday starting at 6:30 a.m.

If you arrive before Wednesday March 6 and have reserved at room through our conference room block at either the Grand Summit Lodge, Silverado or Sundial Lodges*

CMX Travel & Meetings will ensure your Discounted Lift Tickets are waiting for you at your Canyons lodging property when you check in*. In order to ensure that your lift tickets are delivered properly, the conference registrant's name should be listed as the "primary" on the Canyons Lodging property reservation.

Attendees Not Staying at the Canyons Properties

If you are not staying at the Canyons Resort, and you have not arranged accommodations through CMX Travel & Meetings, you may still receive Discounted Lift Tickets, but the tickets are only available for pick up at the Sports Medicine Winter Summit Registration Desk on Wednesday, March 6 after 2:00 pm. The Discounted Lift Tickets cannot be delivered to your off-site hotel or lodging property beforehand.

Sharing accommodations with another conference attendee?

If you are a conference attendee sharing accommodations with another conference attendee, and are not listed as the "primary" on the Canyons Lodging property reservation, please e-mail CMX Travel & Meetings to notify us that you also need Discounted Lift Tickets delivered. If we do not have this information, we will not know where/how to deliver your Discounted Lift Tickets.

Check at the conference registration desk on Wednesday March 6 after 2:00 pm to see if we have any extra lift tickets available for sale

**Note that the Registrants name should appear as the primary on your Canyons Resort Lodging Property. If you booked your Canyons lodging outside of our official lodging block (such as through VRBO or Home Stay etc.) we are unable to deliver lift tickets to your property.*
